

Making All Stars in Los Gatos for 21 Years

For the past 21 years DA Baseball has served the Los Gatos Community Little League, Pony and High School baseball programs. **We have a 90% rate of youth league players being selected to their respective All Star teams.** A higher rate of our players also make their High School team, with many being selected to their All League teams. Many of our players have gone on to play college baseball, with scholarships. We serve the Los Gatos Baseball Community from ages 5 and up. We are open 7 days a week, with the only baseball training facility in Los Gatos. All of our instructors have youth, high school, and college experience, with many having pro experience. From tee ball thru the highest levels, we know how to make your baseball player better.

“DA Baseball is the finest training in Northern California. I highly recommend their instruction for improving your baseball skills.”
